

A Toolkit Must-Have

Ensure a successful bar program with essential content in distilled spirits

A BARTENDER (OR SALESPERSON) IS OFTEN THE FIRST INTERACTION A PATRON HAS WITH YOUR OPERATION.

Intro to Spirits™ provides your team with the essential knowledge they need to sell and serve distilled spirits and mixed drinks to your customers and guests. Whether a bartender, server, retail employee, banquet server or training for a career in the foodservice/hospitality industry, this course equips students with the vocabulary, confidence and knowledge they need to be helpful and educated beverage professionals.

RICH, VIVID DESCRIPTIONS BY A KNOWLEDGEABLE STAFF MEMBER CAN INCREASE SALES BY UP TO 27%.*

The course serves as the ideal beverage-focused onboarding solution for new team members at the time of hire. **Intro to Spirits™** aids in the recommending, selling and proper service of alcoholic beverages. It can also be used as a refresher course for seasoned professionals. This engaging and interactive online learning experience is solely focused on driving the beverage sales of your operation while concurrently improving the overall experiences of your guests and patrons.
