Achieve CA RBS Compliance

EASILY- FOR LESS

California Alcohol (Responsible Beverage Service) Training Certification

The Requirements

CA Assembly Bill 82 mandates that all on-premises alcoholic beverage servers and their managers must successfully complete an ABC approved RBS training program and state administered exam no later than Aug. 31, 2022.

Responsible Beverage Service training educates persons seeking employment or who are currently employed as servers of alcoholic beverages for on-premises consumption. It aims to provide servers the necessary skills to responsibly serve

alcoholic beverages and mitigate alcohol-related harm in California communities.

The CA ABC will issue a digital certification once the exam is passed. Employers will be able to check and confirm certification via the Licensee Login on the RBS Portal. CA ABC RBS certification is valid for 3 years.

Who Should Take RBS eStart™?

The definition of an alcohol server (per the CA ABC) is anyone that checks ID, takes alcoholic beverage orders, pours alcohol or delivers alcohol to customers. An alcohol manager is any person that trains, directly hires or oversees alcohol servers at an ABC licensed premise. Both positions require RBS training.

The Program

RBS eStart™ is an approved CA ABC online training program (Provider ID #312676820). This interactive course runs approximately 60-90 minutes and prepares CA servers/managers to take the state administered exam. The program is available in English, written on an 8th grade reading level with accompanying glossary and provides practice/remediation questions to assess student learning throughout.

At the conclusion of **RBS eStart™**, students will be given instructions on how to take the state administered exam through the CA RBS Portal. (Employers will be able to confirm course completion through Foodservice Training Portal's admin dashboard.)

RBS eStart™ is available for \$399.00. For this purchase price, a location will receive access to the course for 40 employees. Seats do not expire and are valid until used.
