# Are you prepared to protect your restaurant from the **UNEXPECTED?**

CA law requires **all** restaurants to implement comprehensive workplace violence prevention training. Don't wait until it's too late.

## About

SB 553/California Labor Code Section 6401.9, requires every restaurateur in the state to develop, implement, and annually train on a written workplace violence prevention plan. The law also requires employers to maintain a log of workplace violence incidents.

**WVP eStart™ (Workplace Violence Prevention)** equips your team with the essential knowledge and skills they need to recognize, prevent, and respond to workplace violence incidents with confidence and satisfies the CA mandate for required training. Enrollment in **WVP eStart™** also includes access to the additional resources needed to comply with this new requirement: a restaurant-specific Workplace Violence Prevention Plan template, a Violent Incident Log template and online record management and data storage of employee training completion (which must be kept for at least 1 year).

## Benefits

We understand the unique challenges faced by the restaurant industry. Our training addresses specific workplace violence hazards and corrective measures tailored to the restaurant environment, ensuring practical and relevant solutions for your team.
